

Art Curriculum

The art curriculum for both elementary and junior high levels consists of traditional studio techniques taught by demonstrations of the principles of design and elements of art. Grade appropriate art history is incorporated as an essential part of the curriculum.

Each grade has a focus on the following:

Kindergarten – basic shapes and

1st Grade – Line drawing

2nd Grade – Still Life

3rd Grade – Impressionism

4th Grade – Greek Art

5th Grade – Chinese Traditional Painting

6th Grade – Water Color Painting

8th - Portraits
