Youth is a Time for Holiness

OUR INSPIRATION

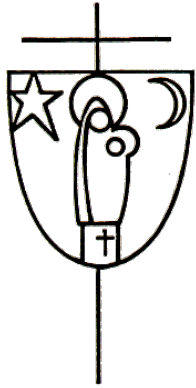

St. Martin de Porres, a Dominican Brother who died in Peru in 1639, is the patron of Long Island's newest Marianist school. Martin's life yields many rich images for our new school serving the children of Uniondale and Hempstead. As a young man of mixed racial parentage, Martin experienced the sting of prejudice when he could not be ordained a priest. As a Brother who spent much of his time ministering to the physical and spiritual needs of the African slaves in South America, Martin knew the pain and loneliness of living far from home. As a holy man who strove to build community spirit among his Brothers, among the people of the city of Lima, and even among the many animals that flocked to his garden, Martin spent his life in the service of the church.

OUR HERITAGE

Blessed William Joseph Chaminade, the Founder of the Marianists, lived amidst the turbulence of the French Revolution. Faced with rebuilding the Church in a society which had turned its back on religion, Fr. Chaminade chose education as a privileged medium by which he brought young men and women back to Christ. By winning the hearts and minds of young people, he hoped to transform not just their lives but the life of the entire community. Inspired in all things by his devotion to Mary, Fr. Chaminade looked to the Holy Family of Nazareth as a model for his schools. By forming men and women as faithful and compassionate teachers, Fr. Chaminade envisioned each school as a family where children would develop their faith in an environment of loving concern. Just as each family is different, each school would be different, in response to the varying needs of times and places. A common Marianist philosophy of education, however, would underscore every aspect of each school. For almost two hundred years, Marianist Priests and Brothers, along with their colleagues, have labored to create schools where children learn to love God and to serve their brothers and sisters by developing fully the talents and abilities that God has given to each of them. On Long Island, the Marianists have operated Chaminade High School since 1930. The contribution of Chaminade's almost 18,000 alumni to the Church and to society testifies to the fruitfulness of Fr. Chaminade's vision. In 1987, Bishop McGann asked the Marianists to assume control of St. Agnes/Maria Regina High School. The growth of Kellenberg Memorial High School and of Bro. Joseph Fox Latin School stems from the successful implantation of Marianist educational principles into a coeducational high school and middle school.

OUR HOPE

St. Martin de Porres Marianist School extends Marianist education to children beginning with pre-school. We seek to create a school that is a vibrant and faithful Catholic community where children and their teachers grow in an atmosphere of loving concern. St. Martin de Porres Marianist School is a family where children from different backgrounds and parishes learn together what it means to share "one faith, one Lord, and one baptism." St. Martin de Porres is a school thoroughly rooted in the Marianist tradition of Chaminade and Kellenberg Memorial, but open to the new possibilities that this new mission offers. Just as St. Martin strove to build new relationships, his new school offers new ways for parishes and a religious community to work together. With the intercession of Blessed William Joseph Chaminade, the Marianists pray that St. Martin de Porres Marianist School will not only revitalize Catholic education in Uniondale and Hempstead, but also in our other schools and the entire diocese at large.

ABOVE ALL, CHARITY

St. Martin de Porres Marianist School extends a Marianist education to children embarking on their educational journey with pre-school. We want to create a school that is a vibrant and faithful Catholic community where children and their teachers grow in an atmosphere of loving concern. St. Martin de Pores Marianist School motto, "Above all, charity," sums up the witness of St. Martin and echoes St. Paul's crucial message in 1 Corinthians 13:13: 'There are three things which last: faith, hope and love; and the greatest of these is love.'" If we believe that love is the very essence of God, then it is in living out the selfless love of God and neighbor which theologians call charity that we fulfill our destinies as Christians. St. Martin de Porres lived this truth every day of his life. Like

Mother Teresa in recent years, he saw "Christ in the distressing face of the poor." Like St. Francis, his love extended to the whole earth. In the busy yard of his monastery, dogs, cats, birds, and mice ate together from a common bowl, a powerful image of the "peaceful kingdom" promised not only to a menagerie of animals but to the many races of men and women as well.

St. Martin de Porres, friend of the poor and builder of the community, bless the work in your name. Pour out upon your teachers and students the precious gifts of your unbounded charity. Show to all who enter your school the paths of unity and justice. Implore from our Father in heaven the coming of His kingdom, so that through mutual benevolence we may increase the fruits of grace, transform the sufferings of this life, and merit the rewards of eternal life. Amen

St. John Neumann was born in Bohemia in 1811. He tried to become a priest but was rejected due to an overage of ordinations in Europe. A bishop in New York accepted him and assigned him to western New York state. He spent most of his time traveling village to village visiting the sick, teaching and celebrating Mass. As bishop of Philadelphia he founded the first diocesan Catholic school. He also increased the number of schools in the diocese from 2 to 100. St. John Neumann, pray for us!

Porres Marianist School, exceptional programs for individual needs cannot be adequately provided for within existing parameters.

NON-DISCRIMINATION POLICY

St. Martin de Porres Marianist School admits students of any race, gender, color, national or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school.

POLICY FOR TUITION PAYMENT

1. A registration fee per child is paid at the time of initial registration.
2. All tuition must be paid on a regular basis between August 20, 2018 and May 20, 2019. If there is a problem with meeting this obligation, parents and families must contact the Headmaster.
3. Tuition in arrears will result in an Administrative suspension for the child. If tuition is not paid in full by the first day of June 2019, the student will not be allowed to return to school to attend classes. Students will not be allowed to take final exams, to receive grades for the year, to attend graduation or to receive a diploma. Students will only be allowed to return the following year when all obligations are paid in full.
4. Families who are in arrears on any of the plans will be warned that they are missing payments. Only cash, bank checks or money orders will be accepted when payments are in arrears. Trimester exams will not be given to students whose family tuition is not up to date at the time of the exams.
5. Families have two options as to how to pay tuition for their children. The first option is to pay the tuition in full by August 20, 2018. A \$150.00 per student discount is available for paying with this option. The second option is to make monthly payments through a company known as F.A.C.T.S. With this option, parents authorize F.A.C.T.S to withdraw the monthly payment from a designated bank account on the 20th of each month, beginning August 2018 and ending May 2019. F.A.C.T.S charges an annual enrollment fee of \$41 for its services.

6. A student's immediate family (including mother, father, brother and sister) registered in St. Martha's parish, Our Lady of Loretto parish or St. Ladislaus' parish must be regular users of the weekly envelope system to be eligible for the "In Parish" tuition rate. Families not using the envelope system will be considered and charged as "Out of Parish Families." Special circumstances must be addressed to the Headmaster.

RELIGIOUS OBSERVANCES

The students of St. Martin de Porres Marianist School are given the opportunity to celebrate their faith.

1. DAILY – Every school day begins with prayers over the television system in each classroom. At noon we pray the Angelus, a Marian prayer. As the academic day comes to a close, we remember Christ's death through praying the Three O'Clock Prayer as a school community.
2. MONTHLY – A school mass is celebrated on a monthly basis. Faculty and students gather to celebrate the Eucharist and to pray as a faith community. Family members are always welcome to attend school masses.
3. SPECIAL OCCASIONS – Other liturgical prayer services are prepared according to the Church calendar, in particular for Advent, Christmas, Lent and Easter.
4. At certain times the Sacrament of Reconciliation will be available for those students who are eligible to participate in this sacrament.
5. Parents are responsible for registering their children in their home parish to receive the sacraments. Parents are responsible for communicating to the school and to teachers that students have received their First Eucharist, First Penance and Confirmation.
6. In the home, more than any place, parents should teach, especially by their example, reverence for God and respect for the dignity of

others. Parents are tremendously influential in instilling the virtues of love of neighbor, justice, generosity, loyalty, industry and honesty within their children. These virtues are extremely essential to their living of the Christian life. Parents should impart the highest regard for the pursuit of learning and a deep respect for those teachers who devote themselves to the education their children.

VISITATIONS TO OTHER MARIANIST SCHOOLS

As a school within the Marianist Province of Meribah, St. Martin de Porres Marianist School will, on occasion, visit the other schools within the Province. Both Chaminade High School located in Mineola and Kellenberg Memorial High School located in Uniondale are part of the Marianist Province of Meribah. Several times throughout the school year our students will travel by school bus to participate in events at Chaminade or Kellenberg. Some examples would be the Triumph of the Cross Prayer Service, Advent Prayer Service, Chaminade Day Mass and Field Days. By signing the handbook parental signature card, you are allowing St. Martin de Porres Marianist School to bring your son/daughter to these special events.

HOMEWORK & STUDY SKILLS

HOMEWORK

Homework assignments are an important part of the learning process, helping the child to practice newly acquired skills. Parents are expected to supervise, but not complete, the child's homework. A quiet, well-lit place should be provided for the child to work and study. Homework is given on a regular basis in all grades. Students should spend adequate time appropriate for each grade level doing written homework, reviewing the day's lessons, studying for quizzes and tests, and/or reading assigned work. Failure to complete homework assignments will result in attending after-school Academic Deficiency.

ASSIGNMENTS

Students will create the following heading for all assignments:

BEHAVIOR & DISCIPLINE

BEHAVIOR

All students are expected to maintain a normal grade of Christian conduct of civility, order and respect. This is an absolutely essential tenet of St. Martin de Porres Marianist School. This mutual respect is the basis of students' behavior during the school day. Students who fail to develop and demonstrate this respect will be considered as lacking in self-discipline.

To accomplish our school goals, the faculty, in partnership with parents, will help the students develop self-discipline. When students learn to become responsible for their own actions, an attitude of mutual respect will prevail. In school, the students gain increasing knowledge of others as they learn to live and work in various phases of group interaction. As in the family, students must respect authority, regard the rights of others and cooperate in the work and play activities of the classroom and school. As students mature, they should realize the need for Christian attitudes in all relationships with others.

DISCIPLINE

St. Martin de Porres Marianist School assumes that students intend to do their best in all areas of school life. Students and their parents are expected to willingly and positively support the philosophy, policies, and rules of the school.

St. Martin de Porres Marianist School students are expected to maintain a normal grade of Christian conduct of civility, order and respect. Students involved in any noteworthy failure to observe rules of conduct are referred to the Headmaster.

BIRTHDAY CELEBRATION GUIDELINES

Commemorating a child's birthday is a wonderful experience and to celebrate with one's classmates makes the event even more enjoyable. However, excessive partying interferes with classroom instructional time and disrupts the rhythms of the normal school day. The primary celebration of your child's birthday should take place at home, not in the classroom. In class, we will pause for a few minutes to recognize your child's special day and then return to our normal daily routine. In school birthday celebrations are only for Grades Pre-K to 5. No in-school birthday celebrations are permitted for Junior High students.

Parents will refrain from sending in any food or drinks; birthdays will be recognized by the class. Unless all classmates are invited to a birthday party outside of school, we ask that invitations be mailed from home.

CUSTODY

Child custody cases, in which a court order has been issued for a child attending this school, must be addressed with the Headmaster.

- Crutches: A doctor's note is required when crutches are to be used in school. Any stair limitation must be included in this note.

All children returning to school after an illness and still requiring medication must have this note from the parent and the doctor. The medication must be in the prescription bottle.

- Children are not permitted to carry any kind of medication in school.

property of the school; the Administration reserves the right to inspect student lockers at any time. Lockers should be kept neat. Food and beverages of any kind are prohibited from being stored in a school locker. Interference with another student's locker is a serious offense against that student's rights, rendering one liable to disciplinary action. Nothing should be hung on the insides of the lockers.

- Students who lose any property may search the lost and found.
- Clothing in the lost and found will be donated to the parish outreach every two weeks.
