## **Tuition can be paid in one of the following ways:**

IN FULL: To pay in FULL and receive a \$150 discount per child, payment of all fees need to be brought or mailed to the school (postmarked) by August 1, 2018.

**OR**

MONTHLY: To pay monthly, you must register with FACTS Tuition Management. Payment is collected by FACTS monthly from August 2018 through May 2019. You need to register with FACTS a *minimum of 15 days prior to the date of the first collection*. Remember there is a once yearly \$41 fee collected by FACTS from the account you sign up with for this service.

Please follow the steps below to register with FACTS:

Log onto the school's website: [www.stmartinmarianst.org](http://www.stmartinmarianst.org)

Go to the LINKS tab.

Scroll down to FACTS.

Click on the Link, and register your family online. REMEMBER to keep your *Log-in name* and *password* for future use.

Do NOT fill in the amount due, or the Family ID number. The school will do that upon finalization of all appropriate fees (tuition, band, change in number of students enrolled with us, or any changes made to the amount due and calculated at the time of Registration).

Please note that if the *exact* monthly collection amount is not available for FACTS to collect on the date you select, you will receive a \$30.00 bounced collection attempt fee by them. To help you avoid any such fees, you may call the Main Office a *minimum 3 business days prior to the collection date* and ask us to change your collection date to one that works better for you that month.
