

October 2017

Dear Parents,

It has been our honor and pleasure to educate the hearts and minds of so many children over the last 13 years. Each year we continue to grow in virtue and excellence. **Our Open House will be held November 18, 2017 at 11:00 am.** It is going to be a very exciting event! In addition to our school community being highlighted at Open House, we will have two bouncy houses, popcorn, cotton candy, homemade baked goods, and a petting zoo. A llama and the Andes Mountains will be present in honor of our patron Saint of Peru, St. Martin, as well as two St. Martin's roaming the building (he has been known to bi-locate).

St. Martin's Open House is a wonderful opportunity for you to share our unique community to your family and friends. Each year more families are registering early. This is the reason we moved our Open House from January to November. **We hope to finish registration for the 2018-19 school year by December 2017.**

We are looking for good families that wish to offer their children the gift of a Catholic education of the mind and heart in the Marianist tradition, that began at Chaminade in 1930, born at Kellenberg in 1987, and shared with St. Martin's in 2004.

Please spread the good news about our Open House!

Sincerely,

Mr. John Holian  
Headmaster
